

Carrie is securing her future

Carrie was trying to make ends meet. She received a foreclosure notice and was nearly \$20,000 behind on her mortgage payment.

According to statistics, 9% of Siouxlanders spend over 50% of their income on housing.

Thanks to United Way of Siouxland funded programs, Carrie learned to create a manageable budget and is one of over 11,000 Siouxlanders having the necessary resources and skills to build financial stability.
