GIVE. ADVOCATE. VOLUNTEER.
LIVE UNITED™ 

The launch of **LIVE UNITED** was made to mobilize Siouland to advance the common good through strengthening education, increasing income, and improving health. Working with community partners that include local agencies, businesses, government agencies, school districts, and volunteers with diverse backgrounds, your United Way has set out to:

- *Ensure all children read at their age level by fourth grade.*
- *Reduce violence and bullying within families and our schools.*
- *Increase financial stability for families through increased access to training, tools, and resources.*
- *Continue to meet basic human needs through “safety-net” services.*

For additional results and to see the positive impact that is being made in our community, please see back page.
