

United Way of Siouxland's Day of Action

Thursday, June 15, 2017

In order to make this event a success, we need approximately 200 volunteers to help with all the fun activities we are going to have for the kids! Event sponsorships are also available.

Please let us know if you are interested in participating in this event by **April 26th**.

United Way's Day of Action 2017

Event Goal: To encourage not only healthy activities, but also a lifestyle of giving back for children. While this is important, we also want to provide local companies & volunteers an opportunity to interact with the very children they are impacting with their support of United Way.

Event Date: Thursday, June 15, 2017

Location: Norm Waitt Sr. YMCA, South Sioux City, NE

Attendees: In addition to volunteers, there will be approximately 1000 local children (grades K-5) from local agency summer programs (and their staff). The children will be split into two shifts: morning & afternoon.

Company Volunteer Role: Volunteers will be at each activity station to ensure a safe, successful, and fun experience for the kids participating. Children will be divided by age range and agency staff/teachers will be at stations to help as well.

Sponsorships are also available for \$200: Your company logo will be printed on volunteer t-shirts. Funds will be used to purchase t-shirts & support event expenses including a new addition for 2017, service learning stations where children & adults will create care packages to help others.
