

United Way Makes It Easy To Leave a Legacy of Caring

United Way of Siouxland's Legacy Society allows people like you to continue their legacy of caring forever.

United Way's mission is to improve lives by uniting the caring power of our community. We focus on bringing people together to impact the most pressing needs in Siouxland.

Two of the most popular ways to leave a planned gift to charity include adding a simple bequest (provision in your will) or through the donation of life insurance. Several other options are also listed below, many of which have big tax benefits.

Informing United Way of your plans assures your recognition in the Legacy Society. You can leave a gift in memory of a loved one, on behalf of the family or for others reasons. We will ensure that you are recognized or you can be anonymous.
