

Statement of Purpose

The United Way of Siouland (UWS) mobilizes people and resources to strengthen our community. As part of its grant funding portfolio, UWS has set aside \$50,000 for use during each fiscal year (July 1-June 30) to provide one-time grants to eligible nonprofit organizations in Siouland addressing an identified community issue. Funding may vary based on various factors.

This grant program offers a Funding Opportunity to Connect and Uplift Siouland (FOCUS). The intent of this one-time grant is to provide support for community programs and initiatives that are able to identify a strategy that will correct the issues most negatively impacting our community and create long-term solutions.

About FOCUS Grant Funds

The FOCUS Grants Program is an outreach of the UWS Community Impact (CI) funding process.

One-time grants, covering a 2-year funding cycle, will be awarded to programs or initiatives working to address a United Way of Siouland targeted issue.
