

DRIVE FOR CHANGE

Please join us as we do a supply drive for HOPE STREET OF SIOUXLAND

406 12th Street, Sioux City, Iowa 51105 Phone (712) 266-3644

In the past 18 months, 15 Siouxland men have not only become sober, but also built the skills they need to become independent, contributing members of our community. From reconnecting with their children, gaining employment, and freeing themselves from a life of substance abuse and homelessness, they've found HOPE.
