1. Contact information is important for United Way so we can make sure and recognize people's giving.

2. The Pledge Amount clearly stated ensures that payroll deductions are correct. Let everyone know how many pay periods they have as some may be different than others. The total pledge equals their total gift. I.E. If I choose to give \$5 per paycheck and I get paid 26 times per year my total pledge amount is \$130. The best way for United Way to recognize leadership givers is for them to fill out the **Leadership Recognition** section.

3. Signature acknowledges that the employee agrees to pay their pledge. Your payroll department will require a signature.

OPTIONAL: Impact Areas
 This section is NOT REQUIRED and only used if someone chooses to designate their gift.

Did you remember to give copies of pledge forms to your payroll department?
