SUCCESS CORNER

Anna was a six year old girl who warmed your heart the moment you met her. It was obvious that Anna's life hadn't been a walk in the park.

During her first few days at Girls Inc., Anna was very shy and kept to herself. She was hard to talk to and interact with. However, that quickly changed...

By her second week, she started to become more social, interacting with other girls and staff. She loved everything about Girls Inc. and found a friend in everyone.
