

A Little Book. A Big Impact.

Bringing the joy of reading
to Siouxland children.

*"You can never get
enough books into
the hands of enough
children."*

Dolly ♥

Through Dolly Parton's Imagination Library, children from birth to age five receive a free, age-appropriate book delivered to their home every month.

These books do more than fill bookshelves. They encourage families to read together, help children develop early literacy skills, and build a foundation for success in school and beyond.

Proudly Sponsored by United Way of Siouxland

Dolly Parton funds the backroom operations of the Imagination Library, making it possible for the program to reach children around the world.

United Way of Siouxland supports the cost of the books and postage for each local child — around \$38 per year for 12 books (one every month) delivered to their home mailbox.

Since 2020, United Way of Siouxland has been proud to sponsor this incredible program for our community, thanks to the generosity of donors and community partners.
