

MAKE CHANGE HAPPEN

United Way of Siouxland relies on the help of volunteers who participate in the Loaned Executive program..

They provide critical support to our annual campaign. By sponsoring a Loaned Executive, you make it possible for United Way to create lasting change in our community.

WHO MAKES A GREAT LOANED EXECUTIVE?

- A “rising star” looking to immerse themselves in the community and build their presentation, management, and leadership skills.
- Someone looking for a rewarding experience leading, planning, and implementing successful projects.
- An individual that cares about their community and enjoys working in a team environment.
- Someone eager to meet new people and enjoys networking.

“Being a loaned executive has given me an opportunity to learn about different companies in our community. I’ve also had the chance to network with other professionals and utilize the team at United Way to gain introductions to key business leaders in Siouxland.”
