LIVE

## HEALTH 101

#### **Our Goal:**

To improve the physical and mental health of our community.

Why?

**36%** of Siouxlanders are considered obese.

The ratio of people needing help to mental health providers is **500:1** in Siouxland.

Thanks to Everyone:

1,043 children and adults are physically healthier thanks to United Way programs.

635 individuals can manage their stress and anger in a positive manner.

## **EDUCATION 101**

#### **Our Goal:**

To prepare children to succeed from the crib to cap and gown.

#### Why?

**48%** of Siouxland children enter kindergarten ready to succeed.

**55%** of Siouxland households have less than a high school diploma.

#### Thanks to Everyone:

90% of children enrolled in United Way programs enter kindergarten ready to succeed.

92% of Big Brother/Big Sister "littles" are confident they will graduate high school. EARN

### FINANCIAL STABILITY 101 Our Goal:

To increase income potential and create stability.

#### Why?

**37%** of Siouxlanders are one step away from a financial crisis.

**52%** of Siouxland children are eligible for free & reduced lunch.

#### Thanks to Everyone:

96% of clients helped by Women Aware gained employment.

4,424 households received food assistance through United Way programs.
