

"To help inspire all young people to become leaders within their own independent selves and to become great leaders in the future."

Donate Today to Impact Siouxland Tomorrow

What impact has United Way had on your life?

"Thanks to United Way, I came full circle in my commitment to the community I love. First as a girl, attending Girls Inc. and now being able to serve on their board. It has allowed me the chance, not only to share my experiences with the girls, but to insure that they have the same great, positive, life changing experiences that I had."

-Officer, Valerie Rose

"I feel like my purpose in life is to help others."

Every Donation Makes A Difference

\$1/week

- ⇒ One month of healthy snacks and meals for a child in an afterschool program.
- ⇒ A week of extended childcare for a struggling family.

\$5/week

- ⇒ Ten blankets and hygiene kits for people after a fire or disaster.
- ⇒ A psychiatric evaluation for a student who has risky behaviors and has contemplated suicide.

\$10/week

- ⇒ Bi-monthly parent support group for a year.
- ⇒ Three adult cancer survivors access to physical rehabilitation programming.

These are just a few ways you can make a difference in someone's life.
