United Way of Siouxland Goals & Priorities

United Way of Siouxland is committed to investing time, expertise, and resources into programs, services, and partnerships focused on Education and Healthy Behaviors.

Entities who partner with United Way of Siouxland will be expected to measure how their work leads to one or more of the following goals and priorities:

1. Individuals access mental health and addiction resources.
   - Improve access to affordable treatment and recovery resources through expanded hours and/or delivery methods, thereby increasing participation.
   - Increase access and participation in prevention programming.

2. Adult learners become more employable and independent in the community.
   - Increase adult literacy instruction and participation.
   - Increase household income through career development opportunities and job training.

3. Individuals engage in behaviors that improve their health or safety.
   - Promote healthy habits for adults and children to reduce obesity.
   - Increase access to violence and trauma treatment and support services.

4. Families access quality childcare and early learning opportunities.
   - Children are assessed ready for kindergarten.
   - Increase safe, affordable, quality childcare slots. (Priority given to infant care and extended hours)

5. Youth demonstrate grade-appropriate school readiness academically, socially, and emotionally.
   - Help students maintain or improve grade level reading and math skills.
   - Decrease barriers for children to participate in before and after school activities.
   - Increase school attendance rates.

Goal 1: Individuals access mental health and addiction resources.
